EXPERIENCE

UX Design Intern | Apple
Cupertino, CA | May 2017 - Aug 2017
Incoming UX Design Intern at Apple this summer.

UX/UI Designer | Iota Browser
Pittsburgh, PA | Sep 2016 - Current
Understanding how people search in mobile browsers and how to improve and augment their experience with searching. Branding and designing a cross-platform application with task groups, note-taking, and sharing.

UX/UI Design Intern | MediaMath
New York, NY | Jun 2016 - Aug 2016
Designed, prototyped, and user-tested Helix, a data-sharing and lookalike audience modeling product. Redesigned ad creation workflow to support Facebook's new ad exchange. Performed data-driven research to help standardize visual design across company offerings and prototype new interactions and UI components.

PROJECTS

UX Researcher and Designer | Fika
Pittsburgh, PA | Aug 2016 - Dec 2016
Delivered design concept that allows newcomers to attend events around them and meet new people. Conducted research on how international students and scholars adjust to Pittsburgh and campus environments.

Designer | SecurityPulse
Pittsburgh, PA | Mar 2016 - Jul 2016
Led wireframing and rapid prototyping to build data visualization dashboard for security professionals. Conducted research and interviews, created mockups, and developed front-end. Won Boeing UpLift DataVis Competition.
